Public Transit "Winter Snow Plan" Announced

Clallam Transit System (CTS) customers should be aware of the possible changes in routes and schedules when the Olympic Peninsula experiences severe ice or snow conditions. CTS will attempt to keep buses on regular route as long as conditions permit. Please note during adverse conditions, some routes may be rerouted and it is likely most routes will be running behind schedule. If conditions are severe, trips of some routes may be cancelled. Paratransit service will be adjusted as appropriate for conditions and may be temporarily suspended.

Tips for riding the bus in snow and ice:

- Wait for the bus at the top of the hill closest to the stop.
- Signal the bus so the operator has plenty of time to stop.
- Wait until the bus stops and door opens before approaching.
- Use handrails when getting on and off the bus.
- Wear highly visible and warm clothing.

Customers are advised to listen to local media sources for information concerning road closures that may affect their bus route. Additionally, they can find updated information on our web at www.clallamtransit.com. If they have any questions they can contact CTS at 360-452-4511 or toll-free at 1-800-858-3747.

-30-

Snow Plan: *Winter 2015-2016*

#10 JOYCE: May delete service on Place Rd. and/or Ranger Rd. from Hwy 112. May delete service on Lyre River Rd. from Hwy 112 with turn around at intersection of Hwy. 112 & Lyre River Rd. or Hwy 112 & Piedmont Rd.

#14 FORKS: If Peninsula College is closed, outbound PM service to the college will continue to go by Peninsula College as published when road conditions permit.

#15 LA PUSH: Route will not run to La Push when roads are flooded.

#16 CLALLAM/NEAH BAY: Delete run to Corrections Center if the access road is not maintained.

#17 FORKS SHUTTLE: No service interruptions are expected.

#20 COLLEGE/Medical Center: Schedule will run as appropriate for conditions. Service to Melody Lane may be deleted. May not service the First and Lincoln bus stop

#22 LINCOLN/PEABODY: Schedule will run as appropriate for conditions. May delete all service south of Park St. between Laurel and Peabody. When going down Peabody at Whidbey, the route may be reversed, using Lauridsen Blvd. to Eunice to Whidbey to Peabody. Service on Vine and Orcas south of Lauridsen Blvd. may be deleted with routing remaining on Peabody.

#24 CHERRY HILL: Schedule will run as appropriate for conditions.

#26 WESTSIDE: Schedule will run as appropriate for conditions. Service to Lower Elwha Tribal Center may be deleted with route turning around at Edgewood Dr. and Laird's Rd. intersection by Dry Creek School.

#30 HWY COMMUTERS: May not service the First and Lincoln bus stop.

#40 SEQUIM SHUTTLE: No service interruptions expected.

#52 DIAMOND POINT: Delete service downhill to Beach Rd.; instead turn around at Sunshine and Diamond Pt. Rd. intersection.

#DAR: Service will be adjusted as appropriate for conditions.

Paratransit Service: Service will be adjusted as appropriate for conditions and may be temporarily suspended. Call 452-4511 or 800-858-3747 for updates.

NOTE: *(These transit route changes represent a range of possibilities depending on the weather and road conditions in specific CTS service areas)*

For additional information call (360) 452-4511 or toll-free at 1-800-858-3747.
